How would you categorize your current physical status (circle one): Poor Good Excellent

I understand that taking the dietary/performance supplements listed above in conjunction with rigorous physical training has the potential to increase the risk of serious injury and/or health problems. I will advise my Course Director should I decide to take any dietary supplements during my assignment to FCCC. I have been advised that exceeding the recommended dosage of any drug or dietary supplement may cause health problems and I will notify my Course Director should I feel faint or sick during physical training.

Section _____

The Course Director will complete the following:

Risk Category:	Low	Medium	High
	0 – 12	13 – 25	26 – 37
